

Profile of a Roncalli High School Graduate

- A Roncalli graduate embodies the tenets of the Roncalli Catholic Schools Mission Covenant: Academic Excellence, Spirituality, Discipleship, and Community.
- A Roncalli education is more than the accumulation of facts and skills. It is more than a pathway to college or a career. It is connected to a larger purpose and a larger world. A Roncalli student should be formed to take his or her place as a citizen of the world, humble before God and humanity, courageous when facing a challenge, and possessing the vision and desire to leave the world better than the graduate found it.
- A Roncalli graduate exhibits a dedication to life-long learning, by embracing his or her God-given potential, acting as a self-directed and responsible learner, and using academic resources morally and efficiently.
- A Roncalli graduate cultivates a personal relationship with God, which is demonstrated through how he or she understands the tenets of the Catholic faith, participates in the sacraments, actively lives out his or her faith, develops a Christian conscience, evaluates moral choices, and acts with humility as good stewards of the Catholic faith.
- A Roncalli graduate desires to follow the command of Jesus to “love one another,” which is demonstrated through how he or she acts as an outward model of Jesus’ teachings, treats all people with the dignity and respect that comes from being children of God, and acts as good stewards of God’s Creation.
- A Roncalli graduate respects and affirms the dignity and goodness of each person he or she encounters, recognizing their kinship as sisters and brothers in Christ. This is demonstrated through how the graduate promotes social justice for all, honors the dignity of each human person by respecting diverse views and beliefs, encourages and leads others to work for the common good, and acts morally and legally as disciples formed in the Christian tradition.
